

Versa Chin / Dip Assist

VS-S601

Our Versa Chin / Dip Assist station packs a remarkable range of functionality into a space-efficient footprint. Multi-position pull-up handles offer exercise variety, and ideally angled dip grips encourage proper wrist placement and muscle variation. The gas-assisted knee platform even folds up for unassisted bodyweight exercises. Clearly indicated, conveniently located adjustment points make use intuitive and provide users with a hard stop to help prevent injury. The knee platform features a protective top pad for stability, while the large, textured foot platforms make it easy to get on and off.

- Clearly indicated adjustments for ease of use
- Gas-assisted knee platform folds up for unassisted bodyweight exercises and training variety
